

Twetch Token Poker

A fun twetch trading game

Rules of the game:

There are 4 decks of tokenized card in play. The game starts now and stops on the end of this month (februari 2021 - GMT). You can buy and collect as any cards as you like, and are allowed to trade and sale cards you do not need peer 2 peer on the open twetch market.

Whoever has the best hand at the end of the month gets 1 bsv + 50% of the auction proceeds from the last 8 cards. But you can also win if you act smart, but that is entirely up to you.
